

AFFIDAVIT OF USE

I, _____, understand and agree that the aftermarket part number _____ I have purchased from Sudco International Corp. is legal in California **only** for racing vehicles which may **never** be used, or registered or licensed for use, upon a highway.

This part will be installed on the following vehicle:

Make:	
Model:	
Model Year:	

I understand that it is illegal to sell or install an aftermarket part that is intended for use with, or as part of, a required motor vehicle pollution control device or system that alters or modifies the original design or performance of the motor vehicle pollution control device or system unless the part has an Executive Order from CARB. Installation of these types of parts which are not CARB-approved on a pollution controlled motor vehicle in the state of California may result in the Department of Motor Vehicles (DMV) revoking the vehicle registration and certification of ownership (title), refusing the transfer of registration, and/or the vehicle failing smog inspection. It is illegal to operate a vehicle in California with an illegal aftermarket part. Law enforcement may cite you for the use of an illegal aftermarket part and seize your title and license plate.
