NGK Spark Plugs

Utilizing a wide variety of materials, from standard copper-core type to Iridium, NGK is the world's leader in spark plug engineering and technology. NGK Spark Plugs are original equipment on virtually every automotive, ATV, motorcycle, marine, scooter and small engine applications.

Standard & Resistor Spark Plugs

The workhorse, at the heart of smooth-running engines worldwide. Available in standard or resistor.

- OEM quality
- Triple-Gasket Sealing Process
- Consistent Performance
- Plug of choice in millions of Motorcycles, ATV's and Scooters

Iridium IX Spark Plugs

Iridium IX Spark Plugs are the most technologically advanced high performance plugs available. Ultra-small diameter Iridium center electrode reduces voltage requirements and extends ignition system life. New metal shell plating has excellent anti-corrosion qualities
